

Meeting, Sunday February 26, 7-9pm
Haylie and Kenzie at CSB
Michael and Matthew at SJU

Haylie and Kenzie:

- Realized Ruby on Rails not very proficient on Windows.
- Worked on finding a means to get Ubuntu environment on personal computer to use Ruby on Rails
- Can't use school Linux drives as of right now: cant download or install anything

Matthew and Michael:

- Worked on MySQL with Ruby on Rails
- Both have Ubuntu environments
- Created working request and result from database

Next steps: Unit testing for demo on Tuesday, 2/28
